Bridge, Inc. in the amount of \$122,769.24, payable from Disaster Recovery Fund 225, Department 125 (Finance), Division 1807 (Parks, Recreation and Other), Object 5310 (Contract Services), city project nos. 1171 and 1194, flood site no. 305, requisition no. 12-0617. Although their bid was significantly higher than the engineer's estimate of \$80,000, we recommend award due to the limited amount of time available in which to complete this project.
